

REMARKS

Claims 1, 3, 6, 8-9, 13, 15-16 and 20-22 are allowed and a Notice of Allowance has been issued. Claim 6 has been amended to correct a grammatical error. New claims 23-26 have been added. This Amendment accompanies an RCE for consideration of new claims 23-26.

Applicant respectfully requests that the above amendment be entered prior to substantive examination of the claims.

With regard to claim 23, applicants believe that the prior art does not suggest as recited in claim 23:

"the driver means reduces the visibility of the one or more respective inter-picture appearances, and the driver means controls for each pixel of the plurality of pixels an estimate potential difference as inter-picture value so that a respective inter-picture appearance is an estimate of the respective subsequent picture appearance"

New claim 24-26 are dependent on claim 23 and are allowable for at least the same reasons.

In view of the above, it is respectfully submitted that the present application is in condition for allowance, and a Notice of Allowance is earnestly solicited.

Please charge any fee deficiencies and credit any overpayments to Deposit Account No. 14-1270.

Respectfully submitted,
